Bryan's New Friends.
How foolish the yowling against Bryan's nomination. The men who are against him now were never for him, however they may have pretended to be. He has won and holds his place in his party because he satisfies all those who have really been of the party since 1896. Until these men call upon him to step aside, he may refuse to heed all other such calls. Scratch the man who is now advising or clamoring for Mr. Bryan's withdrawal and you will find he derives politically from the back room of some quasi public corporation office. The *Mirror* has criticized Mr. Bryan frequently and even ferociously at times, but it has never pretended, while doing so, to be his friend. While he has his defects as a thinker, Mr. Bryan nevertheless comes nearer to representing what the majority of real Democrats want, than any of the politicians and papers that are now presuming to tell the Democrats that Democracy is something other than what Democrats have been voting for the last eleven years. Mr. Bryan is not a great man, we may declare. But when we note the association and the political origins of men who want to pull him off, we are sure he is a good man. When all the "wrong" people in the party are against a man, we may safely conclude that man to be mainly in the right. If Bryan were to be superseded, it should be by some man who has been with the party for the past decade, not by some tool of the men who have publicly conformed to and privately knifed the organization.
—St. Louis Mirror.

How to Avoid Pneumonia.
You can avoid pneumonia and other serious results from a cold by taking Foley's Honey and Tar. It stops the cough and expels the cold from the system as it is mildly laxative. Refuse any but the genuine in the yellow package. Sold by all druggists.

Knocking Them Out.
The United States Supreme Court has declared the fellow servant law unconstitutional, the State Supreme Court of Pennsylvania has declared the two-cent railway rate bill unconstitutional, the Federal District Court, over which McPherson presides, has declared the popular distrust of Federal Courts unconstitutional, as expressed in the Missouri statute penalizing the dodge of the corporations in taking their cases to the Federal Courts—and all within a week. The reason a greater number of laws favorable to the people were not knocked out was because they were not reached. When the higher courts got to them, each in its turn will be nullified. The fact is, brethren, you can't secure any law in this country of any great benefit to the people. The higher courts will nullify all such laws as fast as you enact them. This may seem like a reckless statement of the case, but it is not. The fact is that the government of this Republic has almost entirely passed out of the hands of the people. The people are a lot of dummies.
—St. Louis Centor.

Simple Remedy for La Grippe.
La grippe coughs are dangerous as they frequently develop into pneumonia. Foley's Honey and Tar not only stops the cough but heals and strengthens the lungs so that no serious results need be feared. The genuine Foley's Honey and Tar contains no harmful drugs and is in a yellow package. Refuse substitutes. Sold by all druggists.

Savage Sense of Humor.
Lecturing on New Guinea, A. H. Cunningham said he once offered a native some smelling salts. After going through extraordinary contortions the native went away, returning soon with another native whom he compelled to make acquaintance with the salts. The two brought a third, and so on until the whole village had been victimized. The savages watched each new sufferer with the keenest delight and took good care not to let him know what fate awaited him.

Try Chamberlain's Pain Balm for Rheumatism.
Mr. J. W. Jamison, a merchant of New York, Iowa, says: "I have sold Chamberlain's Pain Balm for several years and have recommended it for neuralgia and rheumatism, as well as for more common pains, and it has given good results. I sell more of it than of any other liniment I carry, and cheerfully recommend it to the public. For sale by Arcadia Valley Drug Co."

Captured a Prize.
Rollis—"Mr. Allmoney is all smiles." Molly—"Yes. He has captured a gridiron heroine." Rollis—"A gridiron heroine?" Molly—"Yes; a college girl who really knows how to broil a beef-steak."—Judge.

An Insidious Danger.
One of the worst features of kidney trouble is that it is an insidious disease and before the victim realizes his danger he may have a fatal malady. Take Foley's Kidney Cure at the first sign of trouble as it corrects irregularities and prevents Bright's disease and diabetes. Sold by all druggists.

Try a gallon of our open kettle, genuine Southern Plantation Molasses, and you will want more.

Nothing Lacking.
When Helen Keller, the brilliant blind and deaf girl, met Dr. Furness, the Shakespearean scholar, he warned her not to let college professors tell her too many assumed facts about the life of Shakespeare; all we know, he said, is that Shakespeare was baptized, married and died.
"Well," she replied, "he seems to have done all the essential things."

The New Pure Food and Drug Law
We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug Law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults.

Call and see the shoes at Barnhouse's before buying. Prices are right.

MY WIFE SUFFERED SEVEN YEARS WITH SCIATIC RHEUMATISM CURED BY SWANSON'S "5-DROPS"
writes P. S. Baxter, Kynessville, Pa.
Mr. Baxter writes: "My wife suffered with Sciatic Rheumatism for seven years. She was in a very bad condition. After using '5-Drops' for three months it made a permanent cure. This was several years ago and she is still well."
How to Avoid Appendicitis.
Most victims of appendicitis are those who are habitually constipated. Orino Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. Sold by all druggists.
Watching the "Kids."
A sign displayed in front of a New York department store is the delight of mothers and incidentally the innovation has increased the rush at the store's bargain counters. The store employs a fatherly-looking man to stand outside and watch the young hopefuls while the mothers wage battle with each other in front of the counters. The scheme has proved a great success.
I am feeling right to-day. Something wrong I must say. Come to think of it that's right. I forgot my Rocky Mountain Tea last night.
—Arcadia Valley Drug Co.
